FREEZE ENTAILS SEVERE LOSS

Last Night Cold Snap Kills All Fruit—Young Plants Appear Lost.

It is the consensus of opinion that all fruit and young plants were killed by the freeze last night and it will come as a severe loss to this community. Opinion is varied as to whether the tobacco plants were killed, on account of being covered, but if not, they had a narrow escape. In commenting on last night's freeze, Prof. G. D. Smith, of the State Normal School, said:

"With the thermometer registering 10 degrees below freezing in many places it looks very much like our entire fruit crop has been killed with the possible exceptions of a few places in the city where the trees were protected by buildings. Some of the most hardy peach and plum may pull through, but it looks like the grapes, apples, pears and cherries are all killed. Even the leaves of the plum, apple, peach and grapes were frozen crisp and if we have any fruit whatever, it will be a streak of luck in favored localities."

VICTORY LOAN FIGURES

Washington, April 25—The Treasury's official review today expressed a fear that many people regarded the Victory Liberty Loan as certain of success without unusual efforts. Meanwhile there are no additional reports of raises in the nation to the total beyond \$397,000,000 tabulated last night. The review asserted that the loan is no different from others and can be booted only through the enthusiastic support by everybody.

HAD GIVEN UP HOPE OF GETTING BETTER

Stomach Trouble of Ten Years Gone Now Since Taking Meritone.

"I had stomach trouble for ten years and had just about given up all hopes of ever getting any better, when I heard about Meritone and started taking it," said Mrs. J. T. Hayes, of 713 Anderson st., Chattanooga, Tenn., and a well known lady of that city.

"I had no appetite and didn't care for anything to eat. I had constipation so badly that it seemed nothing would help me. My whole system became run down. I got nervous and couldn't stand any noise and couldn't sleep at night."

Tells of Benefits.

"I started taking Meritone and it put my stomach back in fine condition and relieved the constipation entirely. It brought me a fine appetite and it doesn't hurt me to eat anything."

"My nerves are back in good shape and I am not bothered by noise and can sleep fine and get up feeling good."

"I am in better health now than for ten years and I just can't say enough in praise of Meritone."

"I am giving this statement for publication in hope that somebody else who feels like I did will give Meritone a trial."

Meritone is highly praised by thousands of people who have taken it and experienced its benefits. It is highly recommended for ailing conditions of the stomach, liver, kidneys, or for catarrh, rheumatism, sleeplessness or lack of appetite. Meritone is sold exclusively in Richmond by H. L. Perry & Son, April 21-25

GERMAN DELEGATION ARRIVES IN PARIS

(By Associated Press) Paris, April 25—Bulletin—The German official couriers, in advance to the German delegation to the peace congress, arrived at Versailles today. They travelled by special train from Creil, near Compeigne. They were received by French officials and conducted to the hotel that has been assigned to the German delegation.

WHITE BREAD FOR SOLDIERS

New York, April 25—Federal Wheat Director Barnes announced today that Americans will continue to eat "white bread" despite the return of European countries to a war bread basis. He said that a survey of the wheat stocks showed sufficient to meet both domestic and export demands.

Paris, April 25—The Supreme Food Council, under the chairmanship of Herbert Hoover, adopted a program to increase the milling percentage of wheat and put the world back on war bread basis for the next three months. The council intends to distribute to the allies, liberated, neutral and enemy countries until the next harvest.

CHANDLER'S POPULAR

On account of inability in securing shipments from the factory, the Luxon Garage is having a hard time completing orders for Chandler cars they have sold this spring. W. E. Luxon reports that he has six sold for delivery, and that at last he has received notice from the Chandler people that cars will be shipped to him immediately, and he will begin delivering to people he has sold to during the coming week.

How Diphtheria is Contracted.

One often hears the expression "My child caught a severe cold which developed into diphtheria," when the truth was that the cold simply left the little one particularly susceptible to the wandering diphtheria germ. If your child has a cold when diphtheria is prevalent you should take him out of school and keep him off the street until fully recovered, as there is hundred times more danger of his taking diphtheria when he has a cold. When Chamberlain's Cough Remedy is given it quickly cures the cold and lessens the danger of diphtheria or any other germ disease being contracted. April 12-14

WOMEN PRAISE STELLA-VITAE

We want every afflicted woman to try at least one bottle of Stella-Vitae on our plain, open guarantee to return the money paid for it if it does not benefit. If you doubt our word that it will relieve the distressing aches, pains and misery peculiar to the diseases of women, read the testimony of these women who have tried it and are glad to tell others what it has done for them. The only interest they have in the matter is that which any true woman feels in helping to relieve the sufferings of other women. You can believe them.

Mrs. J. E. Lee, Milstead, Ga., had female complaint for years. Three bottles of Stella-Vitae cured her, she said, and added, "I am certain to thank you for this great female tonic." Mrs. Parlee Frasier, Longview, Tex., expressed appreciation of Stella-Vitae in these words: "I cannot say too much for this wonderful medicine. I had taken other female medicines for two years with no good results. I am truly grateful for the good Stella-Vitae has done me." Mrs. Sandy Withers of Greensboro, Ala., was a terrible sufferer from female trouble—and only a woman knows what that means! Her condition got so bad her pains threatened she would lose her mind. The Greensboro doctors pronounced her incurable. Then somebody suggested that she take Stella-Vitae. She did so. The first dose lightened her spells. Stella-Vitae is a perfectly harmless compound and it not only alleviates a woman's pain, but builds up her health; it stimulates her appetite, aids digestion, quiets her nerves and clears her complexion. It improves her personal appearance.

All dealers sell Stella-Vitae, and are authorized to return the money paid for the first bottle if it does not benefit.

PREMIER ORLANDO LEAVES PARIS

Though Italian Delegates Remain—Will Call Parliament Together.

(By Associated Press.) Although Premier Orlando left Paris last night in protest against President Wilson's action in making public a statement on the Adriatic question, the latest Paris advices do not indicate that the move means a cessation of Italy's participation in the peace conference.

In peace conference circles, according to a Havas dispatch, it is the belief that today an amicable solution of the incident was in the making, and for one thing Italy has shown a desire to maintain good relations with the allies by the fact that the Italian delegates are remaining in Paris and will continue to collaborate in the work of the inter-allied commission not pertaining to the actual work of the peace conference.

It is thought possible that Orlando may call the Italian parliament together soon and may be back in Paris for the opening of negotiations at Versailles on May 1st or 2nd.

Feeling More Hopeful

Paris, April 25—Bulletin—A distinctly more hopeful and less irreconcilable feeling prevailed at Italian headquarters today. No longer was there talk of a breach with the peace conference. Instead it was said, "all may be settled within a fortnight. Orlando has gone to Rome to consult parliament."

Covenant To Be Made Public

Paris, April 25—Bulletin—The plenary session of the peace conference may be held Monday to consider the revised draft of the League of Nations, and such portions of the peace treaty as are then completed. The sessions will be public. It is understood if the covenant is approved, it will be immediately made public.

80 YEARS OLD— FIT AS A FIDDLE

"I had a bad case of stomach and bowel trouble that four doctors could not help. Suffered all kinds of pain, was filled with gas and constipated for years. I was advised to use Mayr's Wonderful Remedy. Since taking a course of it four years ago, my trouble has disappeared and have felt like a young man. Although 80 years old, I feel fit as a fiddle." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation that causes practically all stomach, liver and intestinal ailments, including appendicitis. STRIKERS START TO WORK IN GERMANY

(By Associated Press) Berlin, Wednesday, April 23—Almost as suddenly as strikes began here, there and everywhere, Germany appears quieted down. Coal miners are returning to work in the Ruhr, Dushburg and Mulseim districts, despite recent communist appeals to stay on strike. A big factor in the situation has been the arrival of American food. Hamburg is almost the only city except Munich where matters are not quiet, at least for the moment.

IT'S THE BIG 3 NOW

(By Associated Press) Paris, April 25—Bulletin—Premiers Clemenceau and Lloyd-George and President Wilson will meet in conference at four o'clock this afternoon. The topics to be discussed are not known, now that Premier Orlando has left for Rome, and it is not considered likely that Foreign Minister Sonnino will attend.

IN THE SPRING

When Energy and Vitality are Lowest, then—Influenza!

(By A. C. BOWER, M. D.)

At this time of the year people feel weak, tired, listless, their blood is thin, they have lived indoors and perhaps expended all their mental and bodily energy and they want to know how to renew their energy and stamina, overcome headaches and backaches, have clear eyes, a smooth, rosy skin and feel the exhilaration of real good health tingling thru their bodies. Good, pure, rich, red blood is the best insurance against ill of all kinds. You are apt to suffer from an attack of Influenza if your health is run down.

Purify the blood and you can defy influenza. This is the time to clean house and freshen up a bit.

Drink hot water a half hour before meals, and for a vegetable tonic—there's nothing better than Dr. Pierce's Golden Medical Discovery, the old-fashioned herbal remedy, which has had such a fine reputation for fifty years. It contains no alcohol or narcotics and is made into tablets and liquid. Send 10 cents to Dr. Pierce's Invalids' Hotel, Buffalo, N. Y. for trial package.

Salem, Ga.—"Dr. Pierce's Golden Medical Discovery" I praise highly as it was the means of my return to health when I was greatly run down and had vigor, strength, blood had nerve tone. I was simply a nervous wreck—had grown quite thin. I could not gain in flesh as I was suffering from indigestion and acidity. My liver was very inactive and in consequence my food would ferment and create a great amount of gas. My general condition was such that I did not feel like

F. H. GORDON BUYS ANOTHER TRUCK.

F. H. Gordon has purchased another Ford truck to meet the increased demand for his goods and is now better prepared to make deliveries coal fees and building materials to all parts of the community. In other words he has adopted a slogan which he states he will live up to "No place to far for me to deliver my goods."

At Versailles, Bud Holman, garage employe was badly injured when he lost control of motorcycle he was riding.

Tendency to Constipation?

USE THIS LAXATIVE!

Dietitians advise a "careful diet," but that is troublesome to most people; physical culturists advise "certain exercises," which is good if one has both the time and the inclination. Doctors advise diet and exercise and medicine. The question is, shall it be a cathartic or purgative medicine? Or a mild, gentle laxative?

Thousands have decided the question to their own satisfaction by using a combination of simple laxative herbs with pepsin known to druggists as Dr. Caldwell's Syrup Pepsin. A small dose gives a free, easy movement of the bowels. It is the best substitute for nature herself. In fact, since the ingredients are wholly from the vegetable kingdom it may truthfully be said it is a natural laxative.

Its positive but gentle action on the bowels makes it an ideal remedy for constipation. The dose is small, and it may be taken with perfect safety until the bowels are regulated and act again of their own accord.

The druggist will refund your money if it fails to do as promised.

Dr. Caldwell's SYRUP PEPSIN The Perfect Laxative

PRICE AS ALWAYS In spite of greatly increased laboratory costs due to the War, by sacrificing profits and absorbing war taxes we have maintained the price at which this family laxative has been sold by druggists for the past 25 years. Two sizes—50c and \$1.00.

FREE SAMPLES—If you have never used Dr. Caldwell's Syrup Pepsin send for a free trial bottle to Dr. W. B. Caldwell, 468 Washington St., Monticello, Ill. If there are babies at home, ask for a copy of Dr. Caldwell's book, "The Care of Baby."

SOCIAL AND PERSONAL

Cecilian Club

The Cecilian Club held a most delightful meeting Wednesday afternoon with Mrs. O. O. Green, host and leader of the program, at her home in West Main. The opera "Norma" by Bellini, was the subject of study and Mrs. L. P. Evans gave the opera story. Miss Olivia Baldwin played a brilliant transposition of Norma arranged by Dorn, and the duet,

Coming Events Cast Their Shadows

Prepare Now to Withstand the Crisis.

Do not anticipate with a shuddering dread the beautiful event of childbirth. You can avoid discomfort during the period and strain at the crisis by preparing your system and putting yourself in splendid condition to meet the time.

For just this purpose women all over the land, in every walk of life, have used for over half a century the time-honored and famous remedy, **Mother's Friend**. It is prepared to give the mother-to-be that direct help she needs. The muscles, nerves, tendons and cords are made and kept soft and elastic. Thus strain is avoided, and as a result nervousness, nausea, bearing-down and stretching pains are avoided.

The abdominal muscles expand easily and gently when baby is born. Naturally, pain is less and the hours are fewer. The system is prepared and the crisis is one of much less danger.

Write the **Bradfield Regulator Company**, Dept. M, Lamar Building, Atlanta, Georgia, for their helpful **Mother's Friend** Book, and obtain a bottle of **Mother's Friend** from the druggist today. It is just as standard as anything you can think of.

And remember, there is nothing to take the place of **MOTHER'S FRIEND**.

"Hear Me Norma" by Mrs. Paul Burnam and Mrs. T. D. Chenault was a most pleasing number.

Miss Helen Bennett's foreword concerning the spring musical events aroused quite an interest. Miss Brownie Telford played a sketch of Dubois in her usual excellent style, and Mrs. McCaughey in Moore's beautiful melody piece "The Siren's Song," evinced the possibilities of piano playing. Mrs. Green was assisted in entertaining by her sister, Mrs. Wheeler, of Lexington. The next club meeting will be held with Mrs. Harvey Chenault May fourteenth.

Mr. Mat Shearer is in Cincinnati this week.

Mrs. F. H. Gordon is visiting Mrs. O. L. May in Danville.

Rev. D. H. Matherly made a business trip to Winchester Tuesday.

Mrs. C. L. Wheeler, of Lexington, spent Wednesday with Mrs. O. Olin Green.

Mrs. E. Tuit Burnman entertained the Navy Knitting League Thursday afternoon.

Mrs. G. C. Clark, of White Hall, is spending the week with her sister Mrs. Clifton Weaver.

Friends will be glad to hear that Mrs. E. C. McDougle is very much improved from her recent illness.

Dr. Henry L. Perry has returned from a two weeks stay at Mt. Jackson, greatly benefited, by the trip.

Miss Elizabeth Farley, and little nephew, Leroy Jordan, returned to Covington Tuesday having spent a week with Miss Belle March on Breck avenue.

Mr. and Mrs. Logan Howard and daughter, Susan, of Paris, will be guests of Mr. and Mrs. William Howard on Lancaster avenue, Saturday and Sunday.

News comes from Mrs. Kellogg's physician, in Louisville, this (Friday) morning, that her condition shows a decided improvement which message is indeed gratifying to her host of friends.

Miss Margaretta Smith who has been overseas for several months, with the Barrow Unit, has returned and is with her sister, Mrs. G. W. Phelps and is cordially welcomed by her legion of friends.

Miss Bettie Perry will come home from Hamilton College today, for the Cotillion, and will have as her guests, Miss Mary Harper Henderson, of Georgetown, Miss Almata Hinton, of Paris, Miss Lillian Collins, of Lexington, and Miss Mary Virginia Berry, of Morgantown.

DENHARDT TO OPEN RACE IN MT. STERLING

The formal opening of the cam-
paign of Col. H. H. Denhart, of
Bowling Green, for the Demo-
cratic nomination for Governor,
will be at Mt. Sterling, May 3rd.
Friends of Col. Denhart announce
that he will make one of the most
extensive campaigns ever waged
in the State and will speak daily
except Sundays until the date of
the primary. He has established
headquarters in the Louisville-Old
Inn Hotel.

Milton Conley banker of Louisa
who was a member of the State
Board of Prison Commissioners
during the administration of the
late Gov. McCreary, is mentioned
as a possible candidate for the
Democratic nomination for State
Treasurer.

In speaking of Col. Denhart's
opening there, the Mt. Sterling
Advocate says:

Col. Denhart is extremely popu-
lar in his section of the state,
having been connected with all
movements for the betterment of
mankind since early manhood.

It was in the battle of the Ar-
gonne Forest that he was promo-
ted to a Lieutenant Colonelcy. He

was also mentioned in orders af-
ter battle of St. Mihiel for cour-
age and ability in action. Before
going to France he was county
Judge of Warren county. His
many friends say that as a lawyer
of ability, a soldier of courage
and a natural leader of men he
will make an ideal candidate and
the one the Republicans fear the
most.

Mrs. J. W. Poyntz, and Miss Kath-
leen, have returned from an excell-
ent stay at Hotel Glyndon.

Mr. Dudley's friends here will
be glad to hear that he has been
so kindly received in his first
business venture at Danville and
wish for him the greatest success.
